## *Food for the soul!*

It is a joy to enclose some limited-edition samples of, *Is God Safe?*

Thank you so much for your prayers and support of this significant PALM project. Perhaps God will be pleased to provide you with an opportunity to give a copy to someone in your sphere of influence, someone who yearns to know God is at peace with them.

The Bible's core message, the gospel, is all about the peace-making work of Jesus Christ. Indeed, Jesus is called, "the *Prince of Peace*" (Isaiah 9:6b). In paying for our sins, Jesus was,

*"...making peace [with God for us] through the blood of his cross."* (Colossians 1:20b)

The truth of the gospel is not only good news for the unsaved, it provides food for the soul of each and every believer in Jesus Christ. The apostle Paul, for example, wrote his epistles under the inspiration of God's Spirit. These first scripture texts were a gospel banquet to the early Church believers. His good news of God's grace fed their souls. Likewise, today, we who believe God are nourished and strengthened in our faith whenever we remind ourselves of all that is true of us in Christ on account of God's grace. The truth that God is at peace with us, is just one of many grace benefits that are ours to enjoy. Jesus said,

*"Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid."* (John 14:7)

For this reason, *Is God Safe?* is a resource for believers as well as non-believers.

Perhaps you know a brother or sister in the Lord whose soul could use some spiritual nourishment today. Maybe you, yourself, could benefit from some good food for the soul. *Is God Safe?* is a hearty meal of soul-settling, soul-strengthening truths. Pour yourself a hot drink and take a few quiet moments to read, to savor, to enjoy. And then pass it on.

Being a “limited edition” simply means the cover image on the enclosed samples is restricted to a few thousand copies. When the image license expires, it cannot be renewed. PALM is creating its own image for this reason. In the meantime, if you desire additional copies, please let us know and we will do our best to make more available on a donation basis, this until the new cover is finalized. Also, you may notice the present copy has a few type-setting errors (nothing major). These will be corrected in future prints.

Until then, please pray for the PALM creative team as it brings together all the elements for an effective cover presentation, not only for, *Is God Safe?* but for other projects as well.

Thank you so much!

Yours to make the peace of God in Christ clearly known,

Peace At Last Ministries (PALM)
